Evaluation Criteria: We are looking for aspirational and transformative projects that address local and global challenges, while containing a holistic understanding of the context

RELEVANCE: A statement of the conditions that establishes the contextual parameters of the proposal. Clarity of the research process.

ANSWER: Technical, transforming and original projects with a programmatic response to existing environmental, social and local conditions. Clarity of the design process.

RESOLUTION: A clear intention of precision and a vision of accuracy and design. Spatial, material and technical realization. **REGISTRATION**

The deadline for registration is October 31 2021.

Institutions: This option is open to institutions interested in sponsoring their students to participate in the Jaguar Guerrero International Prize. This type of enrollment is suitable for institutions interested in showing their students' work on a global platform. Please contact us if you are a representative of your university or believe that your university may be interested in sponsoring your students to participate in the International Jaguar Guerrero National Sponsors Award:

If you or your organization are interested in sponsoring students from your country as part of a Corporate Social Responsibility program to support young graduates of your country, please contact us and we can talk with you about the benefits of such sponsorship. By becoming a National Sponsor, it means that it gives all young architects in your country the opportunity to participate in this international award.
